Whether you are choosing a microscope or you are excited about a recent lesson using microscopes, we'd love to hear from you.

[Choosing a microscope](#)

Choosing a microscope can be daunting. The Society can make this task a little easier by providing you with some useful tips.

[Microscope funding](#)

The Society runs a scheme that allows Primary Schools to claim back part of the cost of up to two approved microscopes.

[Microscopes in the classroom](#)

We know that many classes are enjoying using microscopes as part of the National Curriculum. Why not let us know what you are up to so that others can try the same?
