

Submit to infocus

Calling for general interest articles on all microscopy related subjects - it's a great way to share your work!

You provide the text and images and we take care of the rest - including the design.

"Thank you so much for such an amazing piece in your magazine. This really is such a fantastic publication and the best presentation of my work. Thank you for including such a large feature and to your designer for such a beautiful, thoughtful piece."

I've already found this to be an amazing way to share my work with others."
Dr. Lizzie Burns, author of '[Hidden Worlds](#)' (Dec 2009 Issue)

Article Types

Feature articles - Full articles or reviews of general interest to microscopists.

Short articles / Techniques - Short topical articles, reviews or articles providing hands-on help for microscopy methods and techniques.

Debuts - Student articles published emerging results from a project.
