

Publications

The Society produces a range of publications that includes infocus, e-focus, the Journal of Microscopy and a series of books.

[Journal of Microscopy](#)

An international & interdisciplinary forum for publication, discussion & education for scientists and technologists who use any form of microscopy or image analysis.

[infocus magazine](#)

infocus is the vibrant and striking quarterly magazine that is sent to all members of the Royal Microscopical Society.

[RMS Newsletter](#)

The Society's e-newsletter is delivered to over 10,000 subscribers. Packed with news it will keep you up to date with the Society's activities.

[Books](#)
