

Microscience Microscopy Congress  
incorporating **EMAG 2019**

1 - 4 July 2019, Manchester Central, UK

## Frontiers in BioImaging Call for Papers

Join an impressive line-up of speakers in Manchester to highlight and demonstrate the very best in microscopy techniques and applications.

### Frontiers in BioImaging Sessions

- **Label-free Quantitative Optical Microscopy**  
Chair: Paola Borri (*Cardiff University, UK*)
- **Biological Applications of Fluorescence Microscopy Beyond the Diffraction Limit**  
Chair: Dylan Owen (*King's College London, UK*)
- **Developments in Super-resolution Microscopy**  
Chair: Seamus Holden (*Newcastle University, UK*)
- **Light Sheet Microscopy: Imaging Complex Biological Samples in Time and Space**  
Chair: Steve Thomas (*University of Birmingham, UK*)

### Frontiers in BioImaging Invited Speakers

- Daniele Fioretto (*Università Degli Studi di Perugia, Italy*)
- Gabriel Popescu, (*University of Illinois Urbana-Champaign, USA*)
- Daniel Davis (*University Of Manchester, UK*)
- Ulrike Endesfelder (*Max Planck Institute for Terrestrial Microbiology, Germany*)
- Suliana Manley (*EPFL, Switzerland*)
- Sebastian Van De Linde (*University of Strathclyde, UK*)
- Willy Supatto (*Ecole Polytechnique, France*)
- Francesca Cella Zanacchi (*Istituto Italiano di Tecnologia, Italy*)

**Abstract Submission is now open at**  
[www.mmc-series.org.uk/abstract-submission](http://www.mmc-series.org.uk/abstract-submission)

### Key Dates

- Registration Opens - January 2019
- Oral Abstract Submission Deadline - 15 February 2019
- Poster Abstract Submission Deadline - 15 March 2019
- Late Breaking Poster Deadline - 3 May 2019
