

Application for an RMS Travel Bursary to attend mmc2019 Conference and Exhibition

We have been very fortunate in securing additional funding, which means we can offer a limited number of bursaries to attend the mmc2019 Conference and Exhibition. There is a limited bursary fund and awards will be made on a first come first served basis. mmc2019 bursaries are open to both RMS members and non-members, they are not restricted to students or to those contributing to the conference by means of a talk or poster presentation.

Bursary contributions will be based on the distance travelled from normal place of work to the event in Manchester (using the same formula as normal RMS bursaries):

- £125 up to 300km away from your place of work
- £200 300-2000km away from your place of work
- £300 over 2000km away from your place of work

The following points should be noted when applying for an mmc2019 bursary:

- It is anticipated that where these sums are insufficient to cover all costs of attending mmc2019, they will be used as 'leverage' for additional support from elsewhere.
- After the conference bursary recipients will prepare a short report which may be published in **infocus**.
- Payment will be made after the event, on completing an RMS Expense Form and producing the relevant receipts and report, the **deadline for this being 30 September 2019**
